**DIRECTOR OF CENTRAL INTELLIGENCE  
Intelligence Information Handling Committee  
WASHINGTON, DC 20505**

12 JAN 1984

IHC/MM 84-02  
10 January 1984

MEMORANDUM FOR: Mr. E. William Harding  
Deputy Director, Military Satellite  
Communications Systems Office

25X1

FROM: Chairman, IHC Telecommunications Subcommittee  
SUBJECT: Study Report "MILSATCOM Tactical Intelligence Support Requirements, 1983-2000"

Cmte 10

On 27 October 1983 I requested Intelligence Community comments to the subject DCA study report. Attached please find copy comments from:

CIA/OC  
Department of the Navy  
Department of the Army  
Department of the Air Force

If I receive any additional Community comments, I will forward them to you. In general, the recommendations found in your study reinforces and supports the recommendations found within the "Intelligence Community Telecommunications Issues Study" which will be published shortly.

25X1

As a result, the number of people who have been infected with the virus has increased rapidly, leading to a significant increase in the number of deaths. The World Health Organization (WHO) has declared the situation a global health emergency, and many countries have imposed travel restrictions and other measures to try to contain the spread of the virus.
